## Decision, Risk and Management Sciences- Doctoral Dissertation Research Improvement Grant

<https://www.nsf.gov/pubs/2023/nsf23618/nsf23618.htm>

- Disciplines: increasing understanding and effectiveness of decision making by individuals, groups, organizations and society
- Award: \$30,000 max per grant
- Citizenship: US Citizen, international students
- Academic Profile: PhD dissertation research, advisor must apply through [RAF](#)

**Due January**

## Cultural Anthropology Program: Doctoral Dissertation Research Improvement Grant

<https://www.nsf.gov/pubs/2023/nsf23502/nsf23502.htm#toc>

- Disciplines: all cultural anthropology fields
- Award: \$25,000 stipend
- Citizenship: US Citizen, international students
- Academic Profile: PhD dissertation research, advisor must apply through [RAF](#)

**Due January, August**

## Harvey Fellowship

<https://www.28twelvefoundation.org/apply/>

- Disciplines: economics, business, finance, security, journalism, media, film, visual and performing arts, public policy, applied and theoretical sciences
- Award: \$16,000 award up to three years, summer institute participation
- Citizenship: US Citizens, permanent resident, international student
- Academic Profile: graduate students that can articulate that as Christians they are underrepresented in their field.

**Due January**

# Graduate Fellowships: International Candidates

---

(Note: Information is updated each month. Current month should be accurate, but all others may change.) Rev. 9/24/24

## Mozilla Fellowship

<https://foundation.mozilla.org/en/fellowships/>

- Disciplines: public interest technology addressing privacy, security, online inclusion; natural sciences, formal and applied sciences, humanities and social sciences, library and information services, internet engineers, internet policy, AI (note: focus is ethics)
- Award: \$60,000 stipend; complete a project in either 10 or 12 month placement in one of numerous organizations worldwide (based on your interests) Conference attendance
- Citizenship: US Citizen, international
- Academic Profile: graduate student

**Due January**

## Eiffel Scholarships in France for International Students

<https://www.campusfrance.org/en/eiffel-scholarship-program-of-excellence>

- Disciplines: engineering, economics and management, sciences (chemistry, biology, mathematics, physics, life sciences, earth, environmental, space, nano and biotechnologies, information sciences and technologies and communication)
- Award: ~\$1400.00/month to study 1-3 years in French institutions
- Citizenship: US Citizen or international student except French citizens
- Academic Profile: graduate student will be recommended by a French college upon acceptance into their program.

**Due January apply to college, January college recommends student to Eiffel program**

## Erasmus Mundus Joint Master

<https://erasmus-plus.ec.europa.eu/opportunities/opportunities-for-individuals/students/erasmus-mundus-joint-masters>

- Disciplines: Most
- Award: Earn 2-3 Masters in 3 universities in three different countries; Stipend, travel, tuition included; program of study, research, traineeship, thesis preparation and defense over 1-2 years
- Citizenship: U.S. citizenship, international students
- Academic Profile: bachelor degree by beginning of award

**Due January**
